## PTFE GUIDEWIRE

- ✓ **Excellent curve memory**  
The strength of the wire assists smooth penetration into blood vessel, and high resilience helps restore the curve
- ✓ **Various curve type (Straight, Slightly curve, Curve)**  
The various curve types can be selected according to the blood vessel condition
- ✓ **Pre-coating technique**  
Precise pre-coating technique allows smooth passage of blood vessel

J 1.5mm

J 3.0mm

Straight

Product code	Diameter	Length	Tip type
JSPG35-150J105	0.035"	150cm	J tip (slightly curved, 1.5mm)
JSPG35-180J105	0.035"	180cm	J tip (slightly curved, 1.5mm)
JSPG35-80J3	0.035"	80cm	J tip (Curved, 3.0mm)
JSPG35-150J3	0.035"	150cm	J tip (Curved, 3.0mm)
JSPG35-180J3	0.035"	180cm	J tip (Curved, 3.0mm)
JSPG35-260J3	0.035"	260cm	J tip (Curved, 3.0mm)
JSPG35-150S	0.035"	150cm	Straight tip
JSPG35-260S	0.035"	260cm	Straight tip
